RE: Notification of Nutritional Support Statements

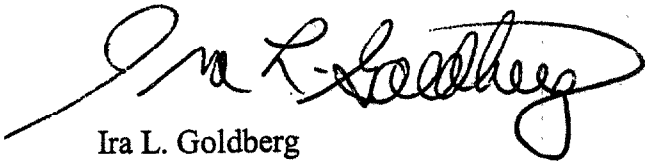

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Zeaxanthin with Lutein, a dietary supplement. Source Naturals® is the manufacturer of Zeaxanthin with Lutein.

Statements being made in the labeling of Zeaxanthin with Lutein

- 1) Zeaxanthin and Lutein, two powerful antioxidants found in fruits and vegetables, selectively concentrate in the retina of the eye to form the macular pigment.
- 2) Maintaining healthy macular pigment levels may provide retinal protection against oxidative stress caused by normal UV exposure on the aging eye.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.
